

NOTIFICATION

As per the resolution of the Meeting of MZU- NEP 2020 Task Force Committee and with the approval of the honourable Vice-Chancellor, Mizoram University the following notification is hereby issued for strict compliance of all Affiliated Colleges.

1. Multidisciplinary Courses at UG Level:

The multidisciplinary courses opted in 1st, 2nd and 3rd semesters should all be different as these courses are intended to expose students to different disciplines/courses and broaden their intellectual experience. Any of the courses/subjects available in the colleges irrespective of discipline, may be opted as multidisciplinary courses for the time being as long as they are different from major and minor courses. Moreover, multidisciplinary courses opted by students should be different from the courses already taken at higher secondary level as far as possible.

2. Number of Paper and Syllabus concerning Multidisciplinary Courses:

Every department at UG level should offer one multidisciplinary paper which can be opted by any student in the 1st or 2nd or 3rd semesters and the same student will not be allowed to take the same subject for multidisciplinary course in different semesters. All undergraduate departments, through their respective Boards of Studies shall prepare a new MDC syllabus of 3 credits which will be taught in 1st, 2nd and 3rd semesters to students of other departments opting the paper. (*suppose Economics, if MDC has been prepared that has Micro Economics in 1st Semester, 2nd Semester, Macro Economics and 3rd Semester Indian Economics, it should be combined as one paper wherein the basic of all the three is included in 3 units*). The syllabus should be prepared in such a way that a student who has never studied the subject will be able to have basic knowledge and understanding about the subject that he/she has opted as MDC.

For the present 2nd Semester students, the MDC that has been taught in the 1st Semester (MDC-110) must be taught by all U.G. Departments except for Mizo Department which has submitted valid and genuine arguments for them offering another course other than what is being taught in the 1st Semester.

मिजोरम विश्वविद्यालय

अईजल - ७९६००४

MIZORAM UNIVERSITY

Aizawl - 796004

भारतीय मंसद द्वारा पारित एकट के अर्न्तगत स्थापित एक केन्द्रिय विश्वविद्यालय

A Central University Established by Parliament Act No.8 of 2000 (25.4.2000)

NAAC Accredited Grade 'A' University

3. Regarding movement of students from one semester to another semester:

- (i) For First Semester students, if a student clears all the internal assessments and filled up the examination forms, he/she may be allowed to move to the next semester even if he/she did not appear in the End Semester Examination.
- (ii) For moving from First Year to Second Year or Second to Third and Third to Fourth Year, a student needs to clear at least 50% of the course.
