The programmes held in the current academic session saw eminent alumni member-speakers, technically-skilled persons and promising students reaching out to the members of the Open House; added to this is parents-teachers' meeting held to improve their attendance and requirements fulfillment.

The Open House is proud to have a student of IV Semester bagging first prize in the State level Essay Writing Competition 2014. It is also a pride to have more students responding to questions, more student-participants in class discussions, and less drop-outs.

B. Under the supervision of Students' Welfare Director, poor , needy and handicapped students are identified. In the last session 33 students are identified. These students are helped either in cash or in kind. The cash has been given to fill up their examinations forms and the kind aids has been given in the form of buying text books, reading materials, exercise books etc.

studies. So, support system is formulated by collecting money from teaching faculty – to pay his house rent and needs for living. It is planned that this will go on till he graduated from the college.
